# Admissions Consulting Process

The application process is a journey.

If you do it correctly, you can set yourself up to build the life that you want to live at the school that's right for you.

We're going to guide you through this journey

From the day you start researching potential schools  
to the day you are accepted.

# Here is how the process works

## STEP 1:

### Brainstorm and Reflection

We'll get to really know your personality, background, and life goals.

## STEP 2:

### School Selection

We'll carefully select 5 programs that best match you and your background.

### Step 3:

#### **Access to our Network**

Our MBA network will become a powerful resource for you throughout the application process and for the rest of your professional career.

### Step 4:

#### **Personalized Meetings**

We are committed to guiding you closely to develop your strategy and provide you with advice and answers in time.

### Step 5:

#### **Develop your story**

Get ready to dig deep – serious introspection and reflection on your greatest achievements will give you the content to write your real story.

### Step 6:

#### **CV and Essay Revision**

We'll craft the best CV you've ever had, tailoring your profile and highlighting your achievements based on what MBA programs are looking for.

### Step 7:

#### **Selection of Recommenders & Endorsements**

Our duty is to ensure you select the right people to recommend you and write to admissions programs on your behalf.

### Step 8:

#### **Interview Prep**

We will prepare you for the common and particular program questions you should expect given your unique application.

### Step 9:

#### Consulting for scholarships

Need-based and merit-based scholarships can have a big impact on your life. We'll make sure you know about all the options available to you

### Step 10:

#### Final decision advice

This is one of the biggest decisions you will ever make. We'll be sure to keep it all in perspective.

### Step 11:

#### Lifetime membership to our network

You've leveraged part of our network to successfully navigate the MBA admissions process. Now it's time to connect with the rest!

**We will discover together how to use your skills and abilities to fulfill your professional dreams, enhance your personal growth and maximize your talents.**

We do not see this Admissions Consulting relationship as a transaction that ends after 6 months of work.

## **We'll provide expert guidance in the following areas:**

- Networking
- We help you arrange meetings with Admissions counselors at your target MBA programs
- We put you in touch with current students and Merchant alumni now attending your target schools
